2010 - PMI CVC Board of Directors Nomination Form

Reason for Nomination: <i>(maximum of 100 words)</i>	I joined the Programs Committee because I felt I wasn't getting much out of the dinner meeting programs/speakers, so my attitude is you need to get involved in order to make changes. As VP of Programs, I intend to use the CVC survey results to see which topics attendees are most interested in, and schedule speakers/topics accordingly. I would strive to see an increase in overall attendance and promote the chapter as an organization/service that PMs can count on as a true professional organization.
