<p>Reason for Nomination: <i>(maximum of 100 words)</i></p>	<p>The open President-Elect position offered a unique opportunity for me to consider running for the 2010 President position. It is unique because to fill this position properly with the minimum of disruption I feel the person would need to have had prior Board of Director experience. Continuing on from my position as VP for Programs seemed a good way to help the chapter and advance my own professional objectives.</p>
